

# ZOBEL GREEN COMMITMENT

---

Zobel Chemie GmbH guarantees the eco-friendliness of its coatings by:

- **Exclusive use of water-based products**
- **Compliance with all governmental regulations such as REACH and the Decopaint guideline**
- **The use of non hazardous raw materials and if necessary the use of non hazardous substitute materials**
- **„GREEN“ production under abundance of environmental protection measures**
- **Certified environmental management system ISO 14001**
- **Certified system procedures according to Quality management system ISO 9001**
- **Physiological harmlessness of the Zowosan® product range**
- **Compliance with the DIN EN 71 Part 3 – Safety of toys**
- **Compliance with the saliva and perspiration resistance**
- **Continuous monitoring by independent testing institutes**

We confirm this with our Environmental Seal:
